WHMIS 2015

3.5 hours

Topics include:

- Overview of WHMIS
- Overview of hazard groups and classes
- Physical hazards
- Health hazards
- Labels including required label elements
- Safety data sheets (SDSs)

Upon completion of the course you will be able to:

Understand the roles and responsibilities that suppliers, employers and workers have in WHMIS

Understand the difference between the two main label types used in WHMIS

Identify the hazards represented by each hazard class

Find additional information about hazards and protective measures on SDSs.
